Viewpoint offers free public use content, additional premium free content (behind a registration wall) and subscription content.

Pricing

Companies can purchase annual subscriptions to Viewpoint. All users requiring access to subscription content need to purchase an individual licence. The more users you sign up, the more cost-effective per user. Subscribers can purchase a mix of licences, for example two UK content licences and one UK GAAP content licence. Prices do not include VAT (where applicable).

Incremental price for content licence per user £

No. of licences	UK (includes UK GAAP & IFRS for the UK content)	International (Global IFRS content only, no UK)	UK GAAP only
1	£1,350	£900	£115
2-9	£900	£550	£115
10+	£725	£450	£115

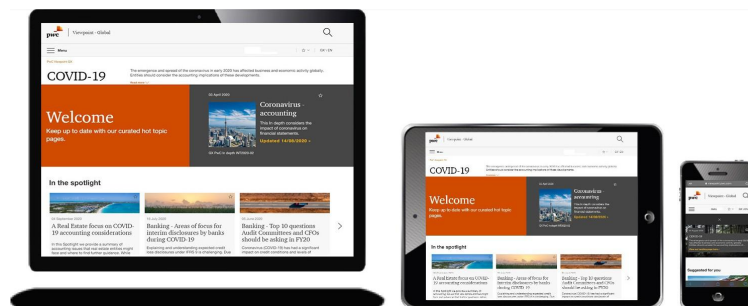

Example - Two licences are purchased for UK content. The subscription fees would be calculated as follows:

- First licence: £1,350 + second licence: £900
- Total licence cost: £2,250 + any applicable taxes

US GAAP and US GASB related content is available free of charge by registering for a free Viewpoint account. For Canada and Japan content subscription fees, please see pwc.com/viewpoint.

Please note this GBP/£ pricing applies to subscriptions with billing addresses in UK, Europe, Middle East, Africa, Mainland China, Hong Kong SAR and Macau SAR. For other territories, please [contact us](#) to confirm the local pricing/currency.

Effective for subscriptions commencing from 1 July, 2023. Prices subject to change without notice.
